Before The Next Meeting

Plans:

- Finishing the rest of interfaces so that we can demo it
- Make any final touches before ending this sprint

Task Assignments:

Task Description	Assigned to
Create images for current menu items in kiosk (ID: 54)	Kevin T.
Add Image to menu items and add details to menu items (ID: 20, 71-72)	Drew E.
Add customization to orders in kiosk (ID: 55)	Drew E.
Add Manager Dashboard (ID: 46)	Thai T.
Implement sales trends page (ID: 56, 61)	Kevin M.
Implement inventory management page (ID: 13, 60, 65)	Kevin M.

Minutes from Previous Meeting

This meeting was simply a continuation of what we've been doing, which is implementing our user interfaces. Since some members have already met their quota, the rest of the implementations planned for this sprint will be created by those who have yet to implement anything. By the time of the next scrum meeting, we should have a functional menu editor page for the manager and a functional ordering system specifically for the employee view.
